New Season 2025

Çamay Collection offers special designs that bring elegance to your daily life by bringing together aesthetics and functionality. Designed with natural materials and carefully selected motifs, our products offer comfort and originality together.

Beach Chic with Artistic Touches

Bringing together art and elegance, this special beach dress from Mini Boutique **Camay Collection** stands out with its simple and original design. This dress, which caresses your skin with its soft textured fabric, offers comfort and elegance at the same time. The abstract face illustrations and elegant red details on it attract attention as an expression of a modern style.

On the beach, by the pool or at any time of your holidays, it adds an elegant touch to your body lines thanks to its comfortable mold design and tie detail at the waist. Its lightness and style will be with you both while resting and on your walks.
